Dear Parents/Carers

We are so pleased with the way that the children have settled into school. Over the next few weeks staff will spend time observing the children in play, to see what their interests are and what their next steps in learning should be.

Alongside these observations, this year the school is also participating in the national pilot for the new reception baseline. This will involve practical tasks based on maths and communication. The children will complete the tasks with adults they are familiar with, e.g. Mr Smith and Mrs Wells. The tasks will take approximately 20 minutes to complete. There is no preparation required.

If you wish to know more about the baseline, please discuss with the class teachers.

We are looking forward to working with you over the next seven years.

Yours faithfully

Mrs S Fellows  
Headteacher
