Dear Parents/Carers

Y3b Visit to KCOM – Run With It – Learning For Life - 8th November 2019

We have arranged for both year 3 classes to take part in the 'Run With It' enrichment day at the KCOM stadium. These enrichment days have kindly been offered at no cost by the Run With It charity organisation. The days are designed as a one off experience with different contexts for learning and include a variety of numeracy, literacy, ICT and/or healthy lifestyle workshops using a range of environments within the stadium as the classroom. We are excited to be taking our children on this visit to what will be a unique learning environment and experience for them.

The visits will take part during the normal working hours of the school day. Children will need to wear school uniform as normal, with a coat for any outdoor activities. They will need to bring a packed lunch including a drink for the day.

Can you please complete the slip below and return to school. Thank you for your continued support.
