

Inmans Primary School

School Closure Policy

Date	Written By	Approved by	Review Date	Approved by Governors
June 2020	J Johnson	SLT	June 2023	Pending

In the event of disruption due to severe weather conditions, or other events, for example the boiler breaking down, the school must always consider the safety of its pupils, staff and visitors. With this in mind Inmans Primary School's primary responsibility is to ensure the school remains open, wherever possible, to avoid disruption to the education that pupils receive.

Any decision taken to close the school will be made as quickly as possible by the Headteacher, taking into consideration:

- The safety and accessibility of ground conditions of the school site;
- If the school is sufficiently heated and able to provide a school meal for pupils;
- If the school has access to running water.

Wherever possible the school will remain open at all times.

In the event of Inmans School having to close, or partially close, families will be notified in the following ways:

- by text message (and email) – parents should ensure the school has up to date mobile telephone numbers and contact details for nominated family members;
- details will be posted on the school website as soon as possible <http://www.inmansprimaryschool.co.uk>;
- details will be posted on Twitter & Facebook;
- the following local radio stations will be informed – BBC Radio Humberside, Viking FM and KC FM.

If severe weather should develop during the day, the school will aim to remain open until the end of the school day (3.15pm). However if this is not possible parents will be contacted by text message or telephone and asked to collect their children, or give verbal permission for their children to make their own way home, as soon as possible.
