24th September 2020

Dear Parents/Carers,

Firstly we would like to say how proud we are of the children and how they have settled. There may be the occasional wobbly moment at the door, but once in the children are so busy and are enjoying their learning through play.

Excitedly Inmans has been chosen to be an 'Early Adopter' of the new EYFS profile. This means that Inmans will be in hand-picked group of schools chosen to lead on this exciting new framework where staff will be planning and assessing using new expectations that all schools will be following in September 2021.

In reality this will not affect the provision for your children and our experienced staff are already fully engaged with the process and are excited to be at the fore front of national changes. The new framework sets the standard that all early years providers must meet to ensure that all children learn and develop and are kept healthy and safe. It promotes school readiness for future years and life.

If you wish to discuss this further, please contact Mrs Batty on the pod email eyfspod@inmansprimaryschool.co.uk. Alternatively more details can be found on

We will be in touch shortly with details of virtual phonic sessions and parents evenings.

Yours faithfully,

S Fellows
