Chair of Governors: Mr David North

Headteacher: Mrs Sue Fellows

School Business Manager: Mrs Claire Bunker

## Steps for safeguarding and remote learning during coronavirus - EYFS

As the local area is experiencing more cases of COVID, I wanted to write to you and let you know about the Inmans Remote learning offer. This will be made available to your child/ren if they are isolating (and well) and/or if their bubble has to isolate. Please read on for details about the learning that will be set. It is very similar to the arrangements during lockdown. We urge you to ensure that your child completes the work and to contact us if you have any difficulties or lack of access to remote learning.

## Please see below for the steps to follow to support you and your child/ren with remote learning:

1. Maths and English work, plus another subject will be set daily on Tapestry. Please complete and submit in the usual way by sending a photo back of the work as an observation. Teachers will check this and respond.
2. Remember the importance of a safe online learning environment. Set age-appropriate parental controls on digital devices and use internet filters to block malicious websites. The following sites provide support and guidance on this:
  - [www.thinkuknow.co.uk/](http://www.thinkuknow.co.uk/)
  - <https://parentinfo.org/>
  - Childnet
  - Internet Matters-
  - Net-aware, Let's Talk About It
  - UK Safer Internet Centre
3. Teachers will call you on a weekly basis to check how remote learning is going. Please raise any questions you have to the teacher. All of these calls will be logged.
4. If you would like to find other work appropriate to your child's learning, you can also access the work set on National Oak Academy and BBC Bitesize.

If you have any queries, please call school or email on [eyfs@inmansprimaryschool.co.uk](mailto:eyfs@inmansprimaryschool.co.uk) (EYFS pupils)

As set out in the Public Health England's guidance for parents and carers, making a weekly plan or structure that includes time for education, playing and relaxing is important to reduce stress and anxiety for families. Routine can give children and young people an increased feeling of safety in the context of uncertainty.

School will be in regular contact with families to let them know of next steps. Take care and please contact us if we can help in anyway.

Kind regards  
Mrs S Fellows  
Headteacher
