Dear Parents/Carers,

We are continually reviewing safe systems of work to keep our school community as safe as possible. Social distancing on the playground is important. Additional measures already implemented include an extra gate to reduce the pinch points at pick up (installation next week) and separating the playground for Y1 and Y2 parents/carers.

Other reminders to support social distancing on the playground

- 1 person only to drop off and pick up
- Please keep to the allotted time

Moving forward

- Consider if your child is in Y5 or Y6 arranging for them to meet you just outside the school grounds
- Adults to wear face coverings on drop off and pick up when it is difficult to maintain social distancing

Wearing face coverings at the key points is in line with other schools in the Local Authority, we ask you respectfully to adhere to this.

We really do appreciate your ongoing support and urge you to email or call school if you have any queries.

Yours faithfully,

S Fellows
Headteacher
