Dear Parents/carers

I am writing to inform you following the Government announcement Inmans Primary School will close with immediate effect. Inmans closure means that all pupils, with the exception of critical worker children and vulnerable pupils, should stay at home. Remote learning will be provided and more details will follow.

To see if you are a **critical worker**, please check the list below, or the link for further details. School will require evidence and if you are able to keep your children at home, then please do so.

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

- Health and social care
- Education and childcare
- Key public services
- Local and national government
- Food industry and other necessary goods
- Public safety and national security
- Utilities, communication and financial services
- Transport and border

Then please complete the google form to say whether you believe your child requires a place. The link for this is:

I do apologise for the late email but wanted to give you as much opportunity to let us know your individual circumstances. I will be in the office from 7am tomorrow morning to answer any personal queries. Children of critical workers can come to school at their normal time tomorrow.

Thank you for your continued support. Stay safe and take care.

Yours sincerely
Mrs Sue Fellows
Headteacher
