Chair of Governors: Mr David North

School Business Manager: Mrs Claire Bunker

Headteacher: Mrs Sue Fellows

FREQUENTLY ASKED QUESTIONS

Critical worker places

- Please check with the criteria to check whether you are a critical worker. It may be necessary (to keep numbers manageable), to limit places to families with two critical workers. If this is the case, we will be in contact. You will be asked to provide evidence of your role and shift patterns.
- Please only send your child on the days you are at work. Part days can also be arranged, so if you are only working half days please collect/drop off at those points.
- If there is a parent/carer at home, please keep your child/ren at home. We are working very hard to keep numbers low to reduce the risk of transmission.
- Classes (but not bubbles) may be mixed.

Uniform

- Children need to wear their school uniform. PE days will remain the same.
- Classroom doors and windows will be open in all rooms, so please send pupils with jumpers/school coats that they may want to wear.

Teaching

- For pupils not in school, lessons will be posted on Seesaw or Tapestry for EYFS. This will include maths, English and topic. Teaching in school will match the remote learning.
- Maths No Problem workbooks for Y1 to Y6 are available to be collected. Teachers will let you know which pages need to be completed on which days.
- Reading books will not come home during lockdown, please use Oxford Reading Buddy instead. If you need support getting online, please contact your pod via email.
- As always, children can access TT rock stars and purple mash.
- If you have difficulties accessing online learning, please contact your pod via email as soon as possible and they will support you.
- There are also activities on Oak Academy and BBC bitesize that children can access.

Lunches

- Hot school lunches will resume from Wednesday 6th January.

EAST RIDING
OF YORKSHIRE COUNCIL

Wrap around care

- Breakfast Club and Late Club are open – usual charges apply. Please contact the office to book a place.

There will be further information regarding remote learning shortly.
