

# FIS Summer Term Newsletter

**Hello, welcome to the last half of the summer term.**

This year, the funding usually used for school trips has gone towards a subscription to Now Press Play, an interactive service where children use a set of wireless headphones and become immersed in an educational adventure. FIS also funded the new Marty coding robots which the children have had lots of fun using and programming to move and dance. We could not have done this without your help, donations and support, so thank you all so much.

Also, we have not forgotten about the FIS Race Night and are hoping (fingers crossed) to be able to hold it in the Autumn!

## Thank Goodie It's Friday

It's back!!! After school every Friday of the Summer Term FIS will be selling pre-made sweet bags costing 50p and £1. Please bring correct change.

## FIS Market Stall - Wednesday 7th July

Back by popular demand, FIS will be holding another stall at the market this summer. Come along and have a go on the tombola, you never know what you might win. If anyone has anything they would like to donate for the tombola, please leave in the box outside reception between Monday 21st June and Friday 2nd July.

## Year 6 Leavers

It's that time of the year again when we say goodbye and good luck to our Year 6 pupils. We are desperately hoping to be able to hold a leavers event for the children, and have a few ideas in the works, so watch this space!

## Year 6 Leavers Books

FIS will again be giving out books to all Year 6 pupils, as a memento of their time at Inmans. These will be handed out near the end of term.

## Contact Details
