

Drawing

Year 1

National Curriculum Objectives

Pupils should be taught to:

- ❖ Use drawing to share their ideas, experiences and imagination.
- ❖ Use line and shape in art and design.

Knowledge

- ❖ Know how to create different effects.
- ❖ Know that different media will create different effects.
- ❖ Know how to use line and shape in drawing.

Skills

- ❖ Record and explore ideas from first hand observation, experience and imagination.
- ❖ Review what they and others have done and say what they think and feel about it. E.g. Annotate sketchbook
- ❖ Identify what they might change in their current work or develop in their future work.
- ❖ Annotate work in sketchbook.
- ❖ Layer different media, e.g. crayons, pastels, felt tips, charcoal and ballpoint.
- ❖ Understand the basic use of a sketchbook and work out ideas for drawings.
- ❖ Draw for a sustained period of time from the figure and real objects, including single and grouped objects.
- ❖ Experiment with the visual elements; line, shape, pattern and colour.
