

Year 5

Sculpture

National Curriculum Objectives

Pupils should be taught to:

- ❖ To sculpt creatively and accurately with a range of materials to improve their art and design.

Knowledge

- ❖ Know how to use a range of materials to create a 3d sculpture. - Egyptian sculptures. Tutankhamun masks/ canopic jars.
- ❖ Know how to use materials to mould and shape these for a specific purpose.
- ❖ Know how to evaluate the finished product.

Links to the Curriculum

- ❖ How has Egypt changed since ancient times?
- ❖ What was life like for a Victorian child?

Skills

- ❖ Describe the different qualities involved in modelling, sculpture and construction.
- ❖ Use recycled, natural and man-made materials to create sculpture.
- ❖ Plan a sculpture through drawing and other preparatory work. Work on their own, and collaboratively with others, on projects in 2 and 3 dimensions and on different scales.
- ❖ Use ICT.
- ❖ Investigate art, craft and design in the locality and in a variety of genres, styles and traditions.
- ❖ Compare ideas, methods and approaches in their own and others' work and say what they think and feel about them.
- ❖ Adapt their work according to their views and describe how they might develop it further.
