

Drawing

Year 5

National Curriculum Objectives

Pupils should be taught to:

- ❖ To create sketch books to record their observations and use them to review their ideas.
- ❖ To draw creatively and accurately using a range of materials to improve their art and design.

Knowledge

- ❖ Know that sketch books can be used to record observations.
- ❖ To be able to review ideas and edit and improve drawings and sketches.
- ❖ Know how to draw creatively using a range of materials to create accurate pieces of art.

Skills

- ❖ Select and record from first hand observation, experience and imagination, and explore ideas for different purposes.
- ❖ Question and make thoughtful observations about starting points and select ideas and processes to use in their work.
- ❖ Use a variety of source material for their work.
- ❖ Work in a sustained and independent way from observation, experience and imagination.
- ❖ Use a sketchbook to develop ideas.
- ❖ Explore the potential properties of the visual elements, line, tone, pattern, texture, colour and shape.
