

# Drawing

Year 6

## National Curriculum Objectives

Pupils should be taught to:

- ❖ To create sketch books to record their observations and use them to review and evaluate their ideas.
- ❖ To improve their mastery of art and design techniques, including drawing

## Knowledge

- ❖ Continue to know how to create sketchbooks to record observations and review and revisit ideas.
- ❖ To know how drawing techniques can be improved using mastery approaches.
- ❖ To create sketches from observations and draw for a sustained period of time.

## Skills

- ❖ Demonstrate a wide variety of ways to make different marks with dry and wet media.
- ❖ Identify artists who have worked in a similar way to their own work.
- ❖ Develop ideas using different or mixed media, using a sketchbook.
- ❖ Manipulate and experiment with the elements of art: line, tone, pattern, texture, form, space, colour and shape.
- ❖ Select and record from first hand observation, experience and imagination, and explore ideas for different purposes.
- ❖ Question and make thoughtful observations about starting points and select ideas and processes to use in their work.
